AMEND Senate Bill No. 1788

House Bill No. 219*

By deleting the amendatory language of Section 1 in its entirety and by substituting instead the following:

(b) The bureau of TennCare shall notify each member of the general assembly when it:

(1) Proposes a change in services or reimbursement that affects more than two hundred fifty (250) beneficiaries; or

(2) Proposes a change that will affect current or future appropriations made by the general assembly in any amount that is greater than one million dollars (\$1,000,000.00).

(c) The notice required by subsection (b) shall include:

(1) A description of the bureau's current practice or policy that the bureau is proposing to change;

(2) An explanation of the reason for the proposed change;

(3) The proposed change in services or reimbursement, including a description of the effect of the change;

(4) The effect of the proposed change on current appropriations made by the general assembly.

(d) In accordance with subsection (b), the bureau shall send notice to each member of the general assembly via email or other type of electronic communication.

AND FURTHER AMEND by deleting the language "department of health" in the amendatory language of Section 2 and by substituting instead the language "bureau of TennCare".
